On October 12, 2023, the Department of Education at Shri Lal Bahadur Shastri Degree College, Gonda, U.P., organized a one-day seminar on the theme **"Bhaarateey Gyan Parampara Aur Aadhunik Chintan"** (Indian Knowledge System and Modern Thought). The seminar sought to explore the profound wisdom of India's ancient knowledge systems and their relevance in contemporary intellectual and philosophical discourse.

The event was skillfully convened by Prof. Shiv Sharan Shukla, with Dr. Om Prakash Yadav serving as the Organizing Secretary. The Joint Secretaries of the seminar were Mr. Manish Modanwal, Dr. Manisha Pal, and Dr. Harish Kumar Shukla, whose collective efforts ensured the seminar's success.

Three distinguished scholars were invited as the main speakers. Prof. Shri Prakash Mishra delivered the keynote address, focusing on the rich heritage of Indian philosophy and its holistic approach to knowledge. He discussed how the ancient Indian education system emphasized the integration of spirituality, science, and ethics, offering a model of learning that is relevant even in today's fast-changing world.

Dr. Neeraj Yadav followed with a presentation on the synthesis of ancient and modern thought. He highlighted the continuing influence of Vedic traditions on contemporary Indian society, particularly in the fields of yoga, meditation, and environmental sustainability. Dr. Yadav also touched upon the ways modern education can draw from these traditions to foster critical thinking and creativity.

Dr. Lohans Kumar Kalyani concluded the session with his reflections on how modern intellectual movements, such as rationalism and humanism, intersect with traditional Indian wisdom. He emphasized the importance of adapting the timeless teachings of Indian philosophers to address modern challenges such as climate change, global conflicts, and social inequality.

The seminar witnessed enthusiastic participation from students, faculty members, and scholars, who engaged in lively discussions about the enduring value of India's knowledge traditions in shaping contemporary thought. The event concluded with a vote of thanks, recognizing the collective efforts of the organizing team and speakers in making the seminar a success.
